

Arlington Dental Associates

Implant and Cosmetic Dentistry Center

Dr. David Chei has over 16 years of clinical experience practicing dentistry. An honors graduate of University of Utah, Dr. Chei graduated from University of Medicine and Dentistry of New Jersey, where he received several awards as outstanding student and was a member of the prestigious honor society. After graduation, he completed 2 years of hospital based residency training at Hackensack University Medical Center and VA Medical Center. Dr. Chei has extensive training in all aspects of dentistry including cosmetic and implant dentistry. Dr. Chei holds licenses in several states of the U.S. and is a fellow of ICOI, the most prestigious dental implant organization in the world. Dr. Chei strongly believes in his role as a healer and helper of those in need as he has led and participated in several charity missions to different parts of the world. Dr. Chei is married with 4 children, and in his spare time, he enjoys spending time with his family. He loves college football and his favorite activities are hiking and traveling.
